SAR Launches New Member Benefit: Domus Analytics

Spokane Association of REALTORS® members now enjoy full use of Domus Analytics at no additional member cost. We will be having classes and training (days and times to be announced), but please feel free to go in and play on the site.

We have scheduled a Lunch and Learn session to introduce you to Domus Analytics on Wednesday May 25th.

In today's competitive market, it's essential for REALTORS® to show the value they bring to every transaction through subject matter expertise. Your knowledge needs to be a mile wide and at least a foot deep. And that's a lot. Let us make your job easier.

Domus Analytics dashboards are the most powerful, accurate and easy to use market stats tools available today. We do all the heavy lifting so that you can quickly zero in on your client's concerns and be the expert they need.
